## \$1.00 SPECIALS for 1959

We have specially priced dahlia roots of many varieties at \$1.00 this year where we have stock enough to warrant it. Look over the list and don't miss some of the outstanding favorites such as Kelvin, Mary Elizabeth, Pride of Parkersburg and Silver Wedding. All priced at \$1.00 each for the first time.

Many of these specials are plants of the newer Australian varieties which we have grown and have proved themselves most satisfactory here and until recently were much higher in price. Above three varieties are examples found in the 1958 catalog and plants are now priced \$1.00. Throughout the Supplement and Index Prices you will find many \$1.00 varieties of exceptional value.

### HOW TO USE 1959 SUPPLEMENT

Prices in 1959 Supplement cancel all other prices. When using the 1958 catalog for descriptions, terms and instructions use the 1959 Supplement for correct prices. We hope this will not inconvenience you. It has, however, given us a chance to use 35 new illustrations and more fully describe our new varieties. Again let us remind you not to overlook the many \$1.00 SPECIALS throughout our list. We are glad to offer these specials so that such fine varieties will be made available to more people at this reasonable and popular price.

### VISITORS WELCOME AT DAHLIADEL

Although we think each year of cutting down a bit we still grow 20 acres of dahlias and many friends and customers enjoy riding through the field in late September and October when they are in full bloom, to see the array of color and types. This season we are propagating more Chrysanthemums than ever and off to a good start for 1959.

If you don't find the variety you are looking for send us a note. We do appreciate the early orders and all personal letters telling of your experiences and thank you again.

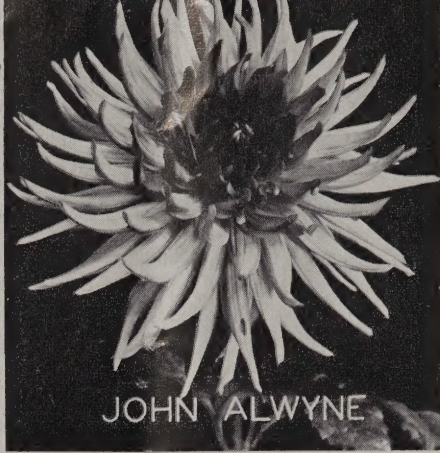

Wishing you the best year ever in 1959 and hope to meet many of you personally.

"The Maytrotts."

### INCURVED NOVELTIES

We have grown many early blooming incurved varieties and have selected the following that do best in outdoor conditions. Many of these varieties will need mulching or some other winter protection in many sections of the country.

**ALBATROSS**, 3½"-2", Oct. 20. One of our best white Incurved novelties. Strong grower with excellent stems. .50

**AVA MARIA**, 4"-2½", Oct. 25. Lovely big ball-shaped white with creamy cast. Nice stems for cutting. \$1.50

**BEN LEIGHTON**, 5"-2½", Oct. 25. Gorgeous peony purple, a shade lighter on reverse of petals. An older variety that is excellent for both exhibiting and cutting. .50

**DE LA MARE**, 4-5"-3', Oct. 20. An English Semi-Incurved which only incurves a little at the top. Really beautiful. Clear bright pastel mauve nearest to pink we have. .75

**FAITHFUL**, 4"-3', Oct. 20-25. Lovely pure white full flowers. Fine for exhibition or cutting. Good grower with strong stems. .75

**FANFARE**, 5"-2½", Oct. 20. Bright reddish terra cotta with light yellow (ochre) reverse. Responds well to disbudding and very striking. .75

**GREAT SOUTHWEST**, 5"-3', Oct. 20-25. Large rose opal true Incurved with French Chamois reverse. Beautiful form for exhibiting. Strong grower with stiff stems. \$1.00

**INVINCIBLE**, 4"-3', Oct. 20. Globular blooms of magenta rose with lighter reverse. Fine grower. Quite similar to Ben Leighton but lighter. \$1.00

**NORTHWESTERN**, 5"-3', Oct. 10. Indian orange with Indian yellow reverse showing at center. Branches wonderfully for cutting and a real football variety when disbudded. .75

**PAINTED DESERT**, 4"-3', Oct. 25. Jasper red with lighter reflex. Most unusual color and a large Incurved. \$1.00

**PURDUE**, 5"-2½", Oct. 15. Burnt orange shaded terra cotta. As picture shows it is only inclined Incurved but wonderful size and form for exhibiting and cutting. Good grower. .75

**ROYAL CROWN**, 5-6"-3', Oct. 25. Very large peony purple with a little wider petal and more red than Ben Leighton. Really popular. \$1.50

**SUNBURST**, 5"-2½", Oct. 25. Terra cotta suffused on face of petals with straw yellow reverse giving an orange bronze tone bloom. Large and attractive. \$1.50

**SUNNYSLOPE GRANDEUR**, 6"-3', Oct. 25. Lovely pure white of tremendous size. Good healthy grower with fine stems. \$1.50

**TAKACHIHO**, 6"-3', Oct. 25. Very striking large Empire yellow. Fine form and wonderful stems for cutting. \$1.00

**TRADITION**, 7"-2½", Oct. 25. Beautiful magenta rose Incurved Spider with silvery reverse. Really has size and keeping qualities. \$1.50

**TROJAN**, 5"-3½", Oct. 25. Rose red to chrysanthemum crimson with reverse of yellow ochre. Good grower and most appealing. \$1.50

**WATANABEE**, 5"-2½", Oct. 20. Very good light yellow for cutting. An older variety but perfect form and easily grown. .50

**WHISPERING**, 5"-3', Oct. 25. Really beautiful pure white with many petals and great depth. \$1.00

**WISCONSIN**, 4½"-2½", Oct. 15. Bright Chinese yellow with bronze overtone. Just wonderful for cutting. .75

**YAMATO**, 4½"-2½", Oct. 25. Described as one of the best pinks in the Incurved family but we found it a beautiful lively mauve with lighter reverse. Excellent for cutting. \$1.00

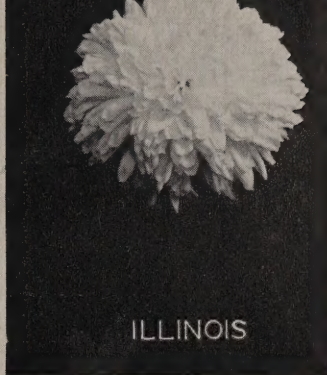

**YELLOW SUPREME**, 5"-3', Oct. 25. Truly Incurved and a stunning soft mimosa yellow with dark green foliage. \$1.00

**ZYLON**, 4"-3½", Oct. 20. Semi-Incurved. Velvety chrysanthemum crimson with slightly lighter reflex showing at center. Good grower with fine stems. .75
